**Delta Kappa Gamma Mission Statement:** To inform the members of current economic, social, political and educational issues so that they may participate effectively in a world society.

Finally spring has sprung! It's nice to smell the fresh grass and feel the sunshine on our faces! The March wind seems to be still be hanging around and even though the news says we haven't had a lot of rain, it feels like we have.

As we get ready for another biennium, the current officers feel as though we have not been able to accomplish as much as we had wanted due to Covid situations. So we have all committed for another biennium. We would also like you to consider serving in your current committee capacity again or voicing a change if you'd like. I am attaching a survey and request form for you to complete. Please either mail it to me, email a copy or complete a form at the June meeting.

We were unable to meet in March do to more than one circumstance. Our reservations were somewhat low, the Library was not sure they were going to be allowed to hold the meeting and our speaker was not communicating as to a commitment. We felt it best to cancel.

We want to try and strengthen our membership by having new members join, be a noticeable organization in our communities and supporting causes that pertain to our mission. But it take input and work on all our behalves. Remember: "Don't give up the Ship" is our state president, Stephanie Walsh's motto. I want to thank our members that attended the State Conference in Danville: Fay Peter, Dee Adkinson, and Donna Fleming. Check out the pictures on our Facebook.

Thank you also for our chapter officers input on the survey.

So get set for a new year - See you in June!

Lisa Erwin

President
