Getting into the Holiday Spirit
At Newfields

Several Alpha Chis strolled around the grounds of Newfields to enjoy over a million lights on display in December. The staff begins the arduous process of putting up the lights in August. It takes 3 months to put them up, and 3 months to take them down. Luckily, the weather was as beautiful as were the marvelous displays. If you have not seen this yet, put it on your "To Do" list for next year.
